Brooklyn. Polytechnic Institute.
The School of Civil Engineering and Architecture of the New York University was established in 1854. In 1899 the name was changed to School of Applied Science, in 1920 to College of Engineering, and in 1963 to School of Engineering and Science. In 1973 the university's School of Engineering and Science and the Brooklyn Polytechnic Institute merged to form the Polytechnic Institute of New York.
Works by the School of Applied Science, the College of Engineering, and the School of Engineering and Science are found under:
New York University. School of Engineering and Science.
Works by the other bodies are found under the following headings according to the name used at the time of publication:
New York University. School of Civil Engineering and Architecture.

Browne, David.
A self defence, with a refutation of calumnies, misrepresentations, and fallacies, which have appeared in several public prints, evidently intended to convey false impressions of the "Logierian diplomatic institution;" as now established in England, Germany, France, Spain, East and West Indies, Africa &c. Also a review, of a pamphlet addressed to "the musical world;" "three thousand copies" of which have been circulated, says the author, "to prevent the world from being imposed upon" by Mr. Logier ... Boston, Published at Browne's Musical Seminary, 1828.
28 p. 23 cm.
